

Accreditation of training companies

5th of november 2009

Content of presentation

- Practical training in training companies
- Accreditation of training companies
- Coaching and monitoring the quality
- Matching the demand for work placement
- National databank of training companies

Practical training

In company practice training is an *essential* and *substantial* part of secondary vocational education and training

- Apprentices 60 – 80 %
- “Full-time” students 20 – 60 %
(average 25-30%)

Basic structure

Accreditation of companies
and
pedagogical guidance

are formally separated (NL)

Basic structure

Kenwerk – Aequor (CoE)

Companies < > training providers/schools

Companies

- Economic targets
- Company production process
- Committed to company interests

Schools / training inst.

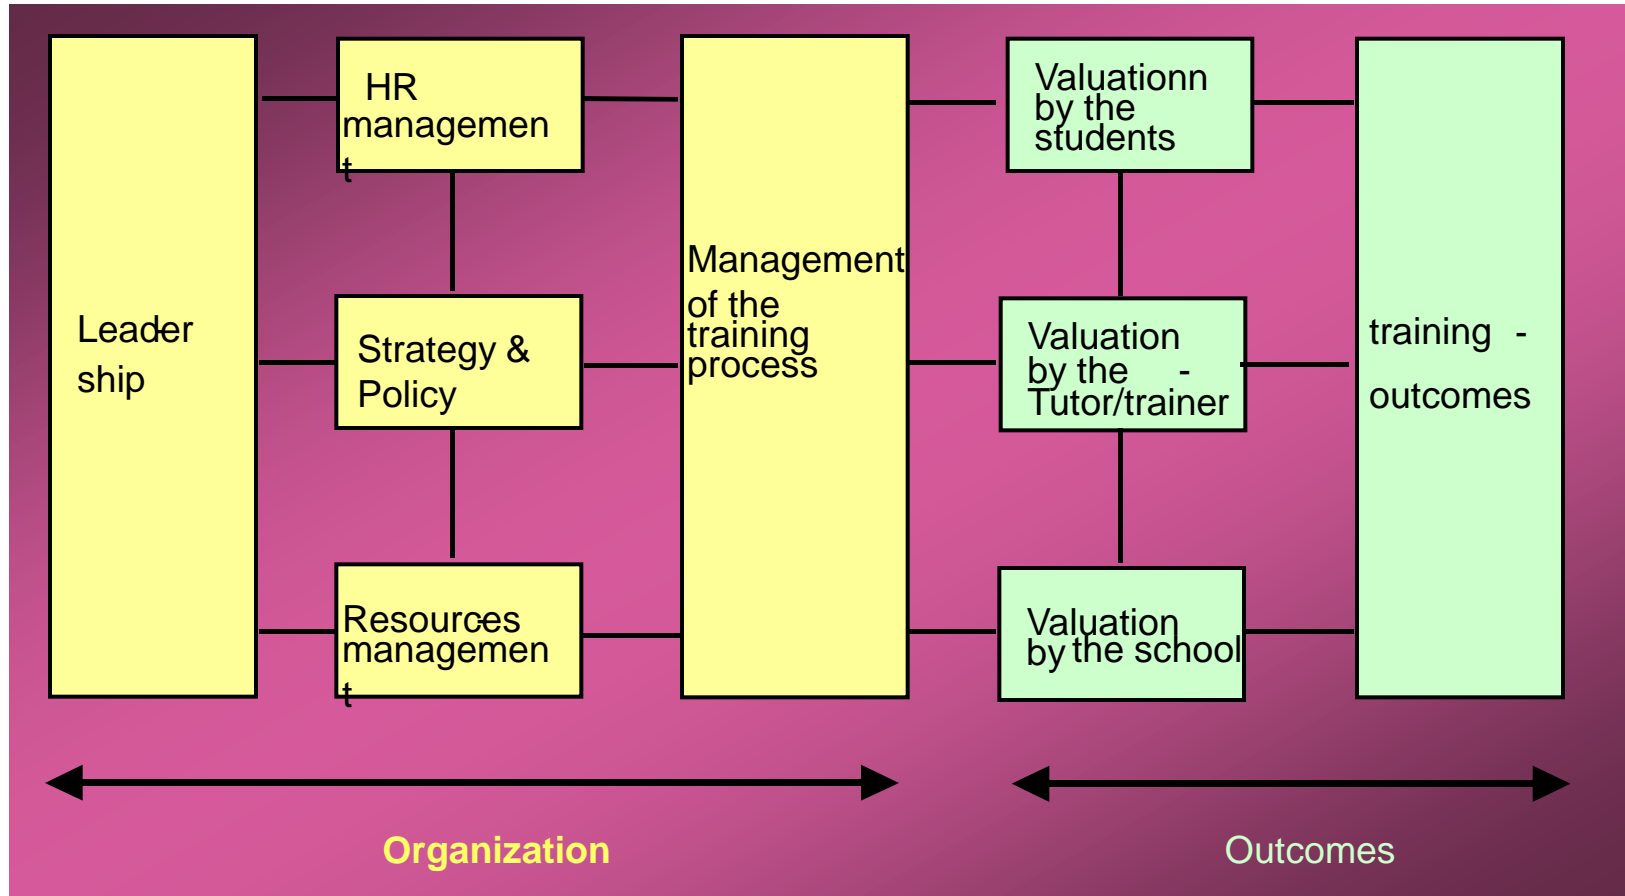

- Pedagogic goals
- Training process
- Committed to student – development interests

Create win-win solutions !

Added value for companies

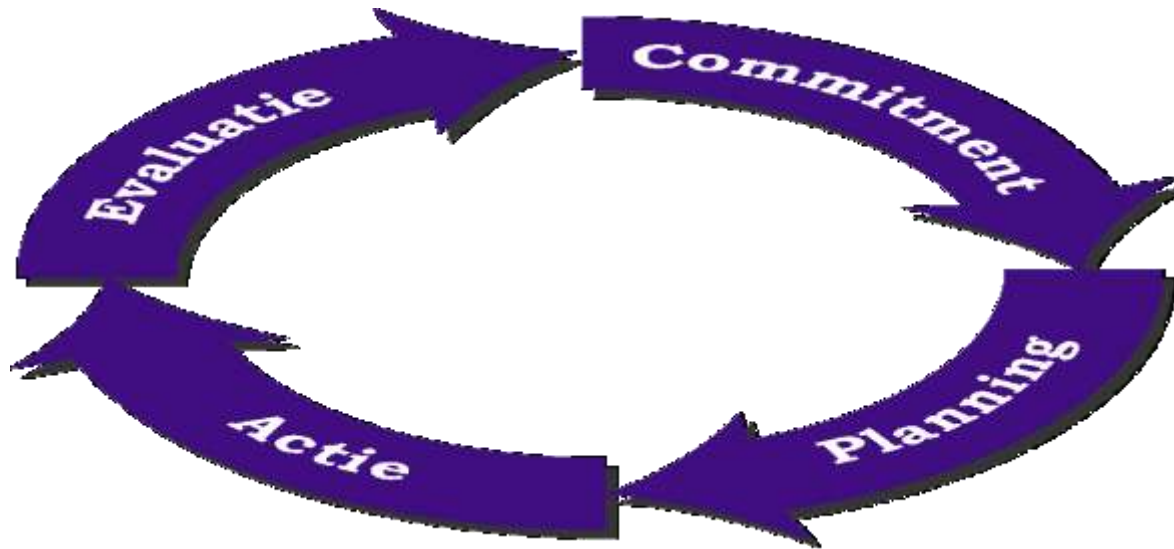

- New knowledge
- Activated “embedded knowledge”
- Company and workers learn too
- Recognition and appreciation (internal/external)
- Better positioned at the labour market
- Saving recruitment costs
- Seasonal helping hands
- Special assignments done by the students

Quality mirror

Companies can develop into “investors in people”

“Investor in People”

Accreditation of training companies

Consultants visit the companies:

- Accreditation audit
 - Basic criteria
 - Content
- Regular visit (once a year)
- In case of problems

Quality criteria

- motivation
- guidance: is there a mentor / coach ?
(is he certified a mentor coach?)
- learning possibilities: what can the student learn?
- good learning environment
(authentic, safe, enough time, etc.)
- coöperation between training company and school

Coaching and monitoring the quality

- Regular visit once a year
 - quality check
 - experiences
 - available tools
 - etc.
- Visit in case of problems

Coaching and monitoring the quality (2)

Individual company

- Advising
- Tools
- Quality mirror

Population of companies

- Selection
- Less but better training companies and learning placements

Quality: planned learning process

- Intake-interview
- Determination of common goals (student, school, company)
- Decisions about activities and planning
- Organising of conditions and means
- Guiding, coaching, reflection
- Judging and examination
- Evaluation of the process

Matching the demand

- What does the student need to learn?
(match content – vacancies)
- Recruit training companies for target groups
(for example: pre-vocational training students,
students who need extra guidance)

STAGEMARKT.NL

WELKOM OP STAGEMARKT.NL

Stagemarkt.nl is *DE* website met meer dan 195.000 erkende leerbedrijven. Het betrouwbare adres voor de juiste stage of leerbaan.

Op 23 september is het startsein gegeven voor de landelijke massamediale campagne '& Stagiair'. Kijk voor informatie op campagne & Stagiair van Colo.nl.

Stagemarkt.nl is de gezamenlijke website van alle leerbedrijven van de 17 kenniscentra. En bevat uitsluitend leerbedrijven die officieel zijn erkend. De kenniscentra breiden doorlopend stagemarkt uit met aanvullende bedrijfsinformatie.

Zo is deze website actueel en van hoge kwaliteit.

Bedrijven kunnen zich via Stagemarkt.nl **aanmelden** om erkend leerbedrijf te worden voor het opleiden van **BBL** of **BOL** studenten.

Ook de staatssecretaris van Onderwijs, Marja van Bijsterveldt, staat achter Stagemarkt.nl. Bekijk het filmpje van Van Bijsterveldt over Stagemarkt.nl op youtube.

STAGEMARKT.NL

Meer dan 195.000 erkende leerbedrijven.

Vanaf de lancering op 10 juni '09 is er 1.156.848 keer gezocht naar een stage / leerbaan.
