6. Officially recognised ways of acquiring the certificate
<p>This document is prepared for candidates applying to authorised certification bodies, in the case of meeting the performance criteria after theoretical and applied assessments are made and each required unit for obtaining the qualification is successfully completed. The performance criteria and assessment rates may be different for each qualification.</p> <p>Entry requirements There is not an entry requirement for this national qualification.</p> <p>Information 12UY0069-4 / 15.06.2016 Rev. No:02</p> <p>Additional information It is an equitable, transparent and confidential system including rules and activities regarding the development and application of technical and vocational education standards and qualifications, and accreditation, authorisation, audit, assessment, certification related to them, based on national and international occupational standards. The levels of VQA Vocational Qualification Certificates in relation to Turkish Qualifications Framework are defined as a result of comparing the learning outcomes of the related national qualification to TQF level descriptors. TQF level descriptors, defining the minimum learning outcomes required for the qualifications levelled according to TQF, are available at http://www.tyc.gov.tr/st. Since TQF is referenced to European Qualifications Framework (EQF), eight TQF levels correspond to eight EQF levels. Level 4 qualifications for which this certificate herein is issued are defined as "Employee exercises self-management for the work or study activities that are usually predictable, but are subject to change; supervises the routine work of others, taking some responsibility for the evaluation and improvement of work or study activities."</p> <p>More information (including a description of the national qualifications system) available at: Vocational Qualifications Authority www.myk.gov.tr www.tyc.gov.tr</p> <p>Europass www.europass.gov.tr https://europass.cedefop.europa.eu/</p>
